Non-alcoholic amaro - cl 70

Elixir Amaro 0% Bottega is a non-alcoholic bitter that was created with the aim of intercepting the rapidly growing trend of no and low-alcohol drinks. It is a product that recalls the great tradition of herbal bitters, of which it maintains the aromatic complexity and to which it adds the lightness of a non-alcoholic drink. Perfect to drink at any time of day, on its own or as an ingredient in tasty mocktails.

Production Area: Veneto, Italy

Characteristics:

For the creation of Elixir 0, we took inspiration from our Amaro alle Erbe alpine, whose aromaticity is the result of a selection of herbs, spices, flowers and berries and an aroma extraction process that respects their intensity. Elixir 0 uses the same botanicals as Amaro alle Erbe alpine with the addition of new botanicals to balance the absence of alcohol. A non-alcoholic alternative with a full flavour and elegant packaging, able to replace an alcoholic bitter either as an after-meal drink or in mixology.

Organoleptic Characteristics:

Color and Appearance: Amber colour.

Bouquet: Fragrant and rich on the nose, it presents a complex bouquet with herbaceous, spicy, balsamic and fruity aromas and hints of undergrowth.

Taste: Balanced and fresh, with a moderately bitter and fruity aftertaste.

Chemical Characteristics:

ABV: <0,5%

Serving Temperature: 5 °C

Serving Suggestions: perfect as an after-meal drink, served chilled or with ice and an orange peel. An excellent ingredient for mocktails, but also for cocktails and long drinks with a lower alcohol content.

Enjoy it within: 3 years.

Recommended Glass: Tumbler.
