Non-alcoholic rosé drink - cl 75

Sparkling Zero Rosé Bottega is a non-alcoholic drink, produced starting from grape must, created to meet the needs of those who, for health or religious reasons, do not consume alcoholic beverages, or those who, for the most varied reasons, are cautious with their alcohol consumption. It is a product that evokes the great tradition of sparkling wines, keeping the freshness, liveliness, and charm of the bubbles, thanks to the skilful dosage of carbon dioxide, despite the zero-alcohol content. A product that is the result of research and innovation, a non-alcoholic alternative for those who do not want to consume alcohol but still want to toast to happy moments without sacrificing flavour.

Production Area: Veneto, Italy

Production Process

After a careful selection of the bunches, collected in the suitable areas when the analyses show a good balance between sugars and acidity, the grapes are destemmed and softly pressed. A must is obtained this way, which is kept in refrigerated tanks to prevent alcoholic fermentation. After adding carbon dioxide, the product is then filtered and bottled.

Organoleptic Characteristics:

Color and Appearance: Soft pink colour.

Bouquet: Characterized by an intense must aroma that is accompanied by fresh, fruity, and floral hints.

Taste: Sweet, delicate, and balanced, it proposes again the fruity and floral sensations of the bouquet.
