GERMANY: 2 GOLD MEDALS AND 1 SILVER MEDAL FOR BOTTEGA WINES

The Bottega winery successfully participated in the MUNDUSVINI wine competition in Germany. The winery achieved important feedback for its wines, which were recognised for their level of excellence. Below are the medals achieved:

- Gold Medal - Il Vino dei Poeti Brunello di Montalcino Docg (2017 vintage).
- Gold Medal - Bottega Rose Gold (Brut sparkling wine obtained from the rosé vinification of Pinot Nero grapes).
- Silver Medal - Il Vino degli Dei Amarone Docg (2018 vintage).

This confirms Bottega winery's ability to reach the highest levels of quality, both with its sparkling wines and with the great red wines of the Veneto and Tuscany.

The Great MUNDUSVINI International Wine Award is one of the most important wine competitions on an international level. Officially recognised and sponsored by the Organisation Internationale de la Vigne et du Vin (OIV), wines from all production areas of the world are entered. It was established in 2001 by the MUNDUSVINI wine academy, a subsidiary of the Meininger Verlag publishing house.

About Bottega

The Bottega company, led by Sandro, Barbara and Stefano Bottega, is both a winery and a distillery. Founded in 1977 by Aldo Bottega under the name Distilleria Bottega, the company is based in Bibano di Godega (TV), 50 km north of Venice, where it produces grappas, wines and liqueurs targeting a high and medium-high level.

Among the grappas, marketed under the Alexander and Bottega brands, are the fine selections of single-varietal and barrique-aged spirits.

The Bottega wine range includes Prosecco, including the well-known Bottega Gold, and other sparkling wines with great personality. Amarone, Ripasso, Brunello di Montalcino and other great reds are produced in the two separate cellars in Valpolicella and Montalcino.

Completing the Bottega offer is the Creams & Liqueurs line, which includes an articulated range of fruit and cream liqueurs, including Limoncino, Giandua and Pistacchio. The company, which distributes its products in 155 countries worldwide, has won more than 300 international quality awards and recognitions over the years.
