Non-alcoholic drink with lemons - cl 50

Our consolidated experience in processing lemons allows us to extract from the peel, pulp and juice all the precious organoleptic properties of the original fruit. Limoncino 0% is an innovative non-alcoholic beverage that embodies the complexity and elegance of the aromas and scents of freshly picked Sicilian lemons. Its freshness makes it perfect both on its own and as an ingredient in delicious mocktails.

Production Area: Veneto and Sicily, Italy

Characteristics:

During the lemon harvest, a meticulous selection is made of the Femminello Siracusano and Verdello varieties, choosing the fruit with the optimal ripeness. The processing follows innovative techniques that allow the natural extraction of the aromas and preserve the qualities at every stage of production up to the final product.

Organoleptic Characteristics:

Color and Appearance: Lemon yellow

Bouquet: Scent of fresh lemon peel

Taste: Soft and velvety, characterised by a pleasant balance of lemon and bitter-sour notes.

Chemical Characteristics:

ABV: 0%

Serving Temperature: 4 °C

Serving Suggestions: Excellent served neat at the end of a meal and ideal in the preparation of tasty mocktails. It goes very well with fresh fruit salads or in combination with lemon sorbet. Perfect as an ingredient for lemon cheesecake.

Enjoy it within: 24 months.

Recommended Glass: Symphony glass.
