# *The Perfect Match*

In Italy, we believe wine is best enjoyed when paired with the finest food. Our team have carefully matched the perfect wine & food to deliver you a true Italian experience. We invite you to share our passion and have a truly unique Bottega experience!

## **ITALIAN APPELLATIONS**

In Bottega we are ambassadors of the Italian excellences, protected by the Consortiums and their denominations.

Denominations, both in wines and food, identify what is unique, unmistakable, incomparable. It means that the product is made in a specific area according to specific rules and high-quality standards; it embodies history, tradition and the locations where it has been cultivated since centuries.

Here below the main Italian denominations you will find in our menu and wines list.

### **DOCG**

DOCG means Controlled and Guaranteed Designation of Origin. It is attributed exclusively to particularly prestigious wines that follow the highest production standards.

### **DOC**

DOC means Controlled Designation of Origin. It recognises the quality and typicality of wines produced in small and medium-sized areas, following strict regulations that define the production methods and times.

### **IGT**

IGT means Typical Geographical Indication. IGT wines are made from autochthonous vines coming from well-defined areas.

### **DOP**

DOP means Protected Designation of Origin. This is attributed to food whose characteristics depend essentially on the production area and traditional production techniques.

### **IGP**

IGP means Protected Geographical Indication. This is granted only to products originating in a specific place, region or country, and whose quality or other characteristic is attributable to the geographical origin.

## BRAND HISTORY

Bottega has a history of four centuries in the world of wine and grappa. Since the 17th century, when our ancestors cultivated the vine as tenant farmers, up to now, with our wines, grappa and liquors being appreciated all over the world, thanks to the creative technical innovations and original design.

4 wineries and 1 distillery based in some of the most prestigious and historical areas of Italian viticulture.

Our company is only 50 km away from the city of Venice, a lodestar of both art and culture and a constantly reassuring presence.

Over the years, we have created a concept aimed at enhancing and sharing our Italian wines, genuine food and convivial lifestyle, all over the world and in different environments, from airports to hotels and shopping centres.

In 2014 the first BOTTEGA PROSECCO BAR opened on board of a cruise ship in Scandinavia and since then a number of stunning locations welcome you around the world!

**Enjoy the experience!**
